**ON A SEPARATE PIECE OF PAPER, PLEASE ANSWER THE FOLLOWING QUESTION (IN 500 WORDS OR LESS).**

Over the years, Kentucky has experienced a "brain drain" problem where upon graduation students leave the state for other job opportunities. As a college student, how would you propose to keep quality students in the Commonwealth? What are your suggested areas of improvement to slow the "brain drain?" Do you plan to leave Kentucky after graduation?

***\*\*Please note that an interview (either by phone or in person) will be an additional requirement of the application process.***
